FOR IMMEDIATE RELEASE

State Route 37
Between Skaggs Island and State Route 121
Five Consecutive Nights of Pavement Repair
Reduced Traffic Lanes-Expect Delays
Starts Sunday, August 13, 2017

SOLANO COUNTY— The California Department of Transportation (Caltrans) will perform major pavement repair on State Route 37 (SR-37) between Skaggs Island and just west of State Route 121 (SR-121) in rural Solano County near the Solano-Sonoma County Line.

Overnight One-Way Traffic Controls-Start August 13

The five consecutive nights of work is scheduled to start on Sunday, August 13 until the morning of Friday, August 18. Work will start each night at 9:00 PM until 5:00 AM the following mornings.

Although no full highway closures are scheduled, motorists may experience delays as Caltrans repairs and repaves SR-37 with one-way traffic controls. This will allow one lane on SR-37 to remain open.

During one-way traffic controls, crews will alternate traffic in the eastbound and westbound directions. Motorists are advised to watch for slow traffic and flaggers. The California Highway Patrol (CHP) will also help direct motorists. All work is weather permitting.
